

Rocky Mountain Collegiate Cyber Defense Competition 2016 Sponsorship Opportunities

The Rocky Mountain Collegiate Cyber Defense Competition is an exciting opportunity for cybersecurity students from all colleges in Wyoming, Kansas, Nebraska, Utah, Nebraska, New Mexico and Colorado to compete for the right to compete at the National Collegiate Cyber Defense Competition in San Antonio, Texas.

The Rocky Mountain Collegiate Cyber Defense Competition is entering its fifth year of challenging the students by introducing new products and technologies to the competition environment. You have a unique opportunity to become involved with this notable event and gain access to observe 64 of the best and brightest students in action and network with cyber security industry leaders at a VIP luncheon hosted onsite.

The Rocky Mountain Collegiate Cyber Defense Competition is held at Regis University in Denver, Colorado on Friday, February 26 and Saturday February 27, 2016. Place a sentence here that indicates *Sponsorships are considered a tax-deduction, if they are – we will need the appropriate verbiage from Mary.* We encourage you to take advantage of these various sponsorship opportunities for your company or organization to support these students and this event. There are four sponsorship levels. In-kind sponsors will have their company/organization name and logo displayed with the item they have donated.
